General Remarks

I have much pleasure in presenting my **SPECIAL PRICE LIST** for the Trade Only, and avail myself of the opportunity to thank you for the support accorded me over 44 years. A very pleasing feature of this support is the fact that many of my Trade Clients are customers of very long standing. It is my constant aim to merit your favor and hearty recommendation.

SITUATION.—My Nurseries comprise over 200 acres in five sections, and are situated close to the Bairnsdale Railway Station. The Nursery Packing Shed is served by a Private Railway Siding, which enables me to give very prompt despatch of orders.

SOIL.—The soil is particularly suitable for producing nice fibrous-rooted trees, thus ensuring a safe removal to other places.

STOCK.—My stock of saleable trees this season is ample for all requirements, all being perfectly clean, healthy, free from all insect pests and in the best possible condition.

THE NURSERIES ARE EXAMINED REGULARLY EACH SEASON PREVIOUS TO SENDING OUT TREES, AND A CLEAN CERTIFICATE CAN BE HAD WITH EACH CONSIGNMENT IF REQUIRED.

PACKING.—All trees are most carefully packed for transmission to any part of the world, so as to ensure their arrival in good order.

ORDERS will be booked now and executed at any time desired.

PRICES.—Prices quoted are free on rail at Bairnsdale, or F.O.B. Melbourne.

TERMS.—All accounts are due net on 1st October, and should be settled within 30 days; 2½ per cent. discount is allowed on accounts paid within one month from date of invoice.

REFERENCE.—Unknown Correspondents are kindly requested to remit with their orders, or to name a Melbourne reference.

PAYMENTS may be made by crossed cheque, bank draft, or post office order. Small amounts may be forwarded in postal notes or in stamps.

General Descriptive Catalogue will be posted on 1st March.
